**FASHION & GIFT IDEAS**

Looking your best for your sweetheart this Valentine’s Day will be an easy task with numerous eye-catching picks from **Lula Rock (#02-07)**. Jazz up any outfit with spunky jewellery from Thai designer, *O Thongthai*. After an invitation to participate in ELLE Bangkok Fashion Week and Seoul Fashion Week in October 2013, O Thongthai debuted her Autumn/Winter 2014 collection at the prestigious London Fashion Week in February 2014, cementing her status as a name to watch among Southeast Asian contemporary fashion talents. Each piece from her collection is designed and made in Thailand, hand-crafted from wax before being re-cast in brass and plated in rose gold, silver, yellow gold, black ruthenium and 925 sterling silver.

Get inspired with fun, flirty outfits from *Alice McCALL*, an eclectic Australian label that combines elements of tender girlish charm and bohemian flare, mixed up with a bit of rock and roll. Celebrity fans include fashion doyennes Kate Moss, Chloë Sevigny, Diane Kruger and Natalie Imbruglia. Celebrating 10 years in the industry, her latest collection, *In My Dreams We Were Flying*, takes its inspiration from the surreal and infinite possibility of lucid dreaming – the bridge between fantasy and reality. Mixing cool pistachio greens, splashes of magnificent prints, ethereal whites, lemon chiffon and starburst powder blue and carnation pink glitter, a stunning outfit from this collection is just the thing to wear this Valentine’s Day to wow your significant other.
