BEAUTY & WELLNESS

Zippering around the city in a flustered quest for trusted beauty experts and the perfect treatment for all your beauty needs will soon be a thing of the past, as Palais Renaissance introduces a new Beauty level at Level 3. As a one-stop shop with a myriad of beauty and wellness offerings, Palais is the ideal location for busy individuals to look and feel great inside and out.

PHOENIX LA BEAUTE (#03-01)

Start the season right with a *Classic Universal Contour Wrap* (\$128*/ 120 min, T&Cs apply). Scientifically proven to allow clients to lose at least 6 inches within one treatment, the *Classic Universal Contour Wrap* is an all-natural sea clay-based full body wrap treatment that deeply cleanses and detoxifies the body. Paired with the centre's state-of-the-art bandaging technique, which results in an instant inch loss through the compression of the body's soft tissue, the average customer loses between six to twelve inches in one session. Enjoy beautifully soft, cleansed skin complemented by the reduced appearance of cellulite, with the inches kept at bay for at least 30 days. For the first lucky 30 customers only, indulge in the *Classic Universal Contour Wrap* and receive a complimentary *Sea Clay Soap Bar* – a luxurious exfoliating soap embedded with nodules designed to combat cellulite. Friends who enjoy the *Classical Universal Contour Wrap* together will stand to receive complimentary exclusive *Sea Clay Soap Bars* and *Slimming Creams* each.

Stay swimsuit-ready for the summer always with *Trios™* (\$128* per session, T&Cs apply) – a technologically advanced, quick yet safe phototherapy system that specialises in long-term unwanted hair removal. Based on a non-invasive process called selected photothermolysis, *Trios™* applies concentrated flashes of harmless, visible light to remove unwanted hair from all parts of the body and impair the hair follicle's ability to regenerate. *Trios™* promises to be four times more powerful than other intense pulsed light (IPL) treatments available, assuring results from the very first treatment. A series of six to ten sessions is recommended for long-term hair-free results to the treated area.

PRIVÉ CLINIC (#03-03) & PRIVÉ AESTHETICS (#03-02)

Achieve a radiant summer glow with **Privé Clinic's** *Translucent Skin Programme* (\$2,888), a comprehensive programme designed to tackle pigmentation, yellowness, dry skin and overall facial skin unevenness. For those battling enlarged or clogged pores, enjoy rejuvenated, clear, glowing skin with customised skin and laser treatments under the *Laser Glow Programme* (\$2,700).

Privé Aesthetics offers alternative solutions to battle dull and tired skin with the rejuvenating *Miracle Elixir Face Therapy* (\$280 / 75 min) and crowd-favourite *Laser White Face Therapy* (\$300 / 60 min). The centrepiece of the *Miracle Elixir Face Therapy* lies in the centre's exclusive miracle essence – specially formulated and packed full with antioxidants and skin-reviving vitamins – perfect for rejuvenating fatigued skin. The *Laser White Face Therapy* is an advanced treatment that features Alpha-Litamin, a Nobel Prize-winning discovery found to be 100 times stronger in antioxidant efficacy than Vitamin C, and complemented with a host of other lightening actives that work together to bring abundant radiance to the complexion.

Designed to lighten pigmentation and enhance skin luminosity, the *Whitening Milk Mask* (\$15 per piece) is the perfect gift to pamper loved ones. Complete the experience with the *Crystal Tomato Health Supplement* (\$169 per box of 30 tablets), which offers skin repair properties and protection against daily sun damage.

MEDICAL AESTHETICS SPA (UK) (#03-10/11)

Relax and recharge without the need for a vacation with the *Wellness Revival Treatment (WRT)* body treatment massage (\$98 / 90 min, U.P. \$250) from **medical aesthetics spa (UK)**. In one session, customers stand to enjoy 60 minutes' worth of full body massage and 30 minutes of WRT massage. In the WRT component, heat and infrared rays penetrate deep through body tissues to promote blood circulation, eliminate toxins and relieve shoulder and neck pain, while providing kidney maintenance, headache and migraine relief, as well as weight loss benefits.

TOUCHE™ ELITE (#03-04)

Banish persistent skin problems and reduce the pesky signs of aging with **TOUCHE™ Elite's** *ph+ Skin Science Treatment – The Ascorbic C Series* (\$138 / 90 min). Relish in the joys of beautiful youthful skin as this clinically proven treatment focuses on controlled skin resurfacing and renewal – targeting fatigue signs, dull skin tone, fine wrinkles, pigmentation, and acne blemishes. Benefits of the treatment include combating damaging free radicals that contribute to skin aging, regulating melanin production to prevent pigmentation, and improving skin immunity against damaging environmental and biological effects, for a radiant look that will make your friends green with envy.
