**SINGAPORE, 9 November 2017** – This Christmas, Palais Renaissance continues to delight the spirit of giving in you with timeless opulence and luxury.

In the true spirit of the season, prepare to be embraced by the warmth of loved ones from far and near, while being spoiled for choice when it comes to showing your appreciation for them with a Christmas gift from the heart.

Located in the heart of Orchard Road, yet set away from the bustling shopping street, Palais Renaissance provides the intimate respite you need while searching for that perfect gift. From premium fashion labels, fine jewellery and bespoke tailoring to sheer pampering at wellness spas and scrumptious dining outlets, we've curated a list of Christmas treats for the ones you love most.

## For Him

**Raffles Tailor** (#02-07) is a local powerhouse of bespoke suiting for the man who won't settle for made-to-measure. With an in-house London-trained tailor and the finest fabric selection from around the world, this will be the gift of craft that lasts a lifetime.

Known for precision crafting and balancing sportiness and luxury, **Breitling** (#01-03/04) reaffirms its supreme mastery of chronographs by unveiling its own split-seconds chronograph movement – one of the most sophisticated horological complications.

**The Writing Club** (#02-10) is home to over 500 hand-picked labels of rare and collectible whiskies from across the globe. So whether he loves the heavy peat variety or is able to distinguish the nuances of chocolate and spice from a single dram, there will be the perfect bottle for his sophisticated palette.

## For Her

She is not your everyday woman. She is an empowered individual that demands only the finest. She's able to carry a dramatic print, while embodying feminine power. That's the design philosophy of **Maria Grachvogel** (#01-07A), which will ensure she owns the room at any year-end party she attends.

Resplendent jewellery coupled with fine craftsmanship are at the heart of Palais' jewellery brands. **DeFRED Jewellers** (#01-02), **Mouawad** (#01-01) and **YULI INC. – FINE JEWELLERY** (#01-08). Finely-cut gemstones set into designs both simple and opulent, these adornments are sure to bring out her Christmas glow.

For the woman who has everything money can buy, a pampering session will give her the me-time she so desires. From full body pampering and aesthetics services at **DrSpa** (#03-04), **Medical Aesthetics Spa (UK)** (#03-10) and **Privé Aesthetics** (#03-02), to the ultimate Christmas coiffure at **H'AIR - Trichology by Leonica K** (#03-08/09), these symbolise the greatest gift of season – the gift of indulgence.
