

## An Intimate Respite at Palais Renaissance this Mother's Day

**SINGAPORE, 26 April 2016** – This Mother's Day, Palais Renaissance invites every mother and daughter to its premises for an intimate respite and some girly bonding time in the heart of Singapore's shopping paradise, Orchard Road. With one-of-a-kind dining experiences, exclusive retail options and specialised beauty treatments, Palais Renaissance promises to be the one-stop lifestyle destination for those in search for an enriching day with their mom.

At Palais Renaissance, mothers and daughters can kick start their exuberant day-out with a delectable meal at **Ishinomaki Grill & Sake Bar (#B1-02)**. Serving only the best imports from Japan, the restaurant ensures a high-quality dining experience through its use of fresh, high-grade ingredients. If mom is a fan of sashimi, the *Sashimi Miyagi* (priced at \$68++) features a grand assortment of eight different kinds of premium sashimi including uni, toro and other seasonal items depending on the fresh ingredients which have arrived for the day. For mothers who like to sleep in a little later, **P. Bistro (#B1-06)** offers a high-tea set that comes complete with coffee or tea. Recreating the laidback atmosphere of Parisian cafes, it is the perfect place to spend a leisurely afternoon with the leading lady of your life.

Boasting a diverse range of brands that are only available at Palais Renaissance, mothers and daughters can also look forward to be treated to an immaculate shopping experience. **Maria Grachvogel (#01-07A)** is the go to designer for timeless, relaxed luxury and is a well-kept secret of many iconic women. *The Llewellyn Cardigan* (retailing at \$1290) made with luxurious cashmere silk, for example, makes a perfect Mother's Day gift. For an intricate fusion of traditional and modern, **Patch Magic (#03-05)** features an assortment of exquisite apparels made from the practices of Japanese fine art and craftsmanship. On the other hand, fashionistas seeking sophisticated and classic statement pieces need not look further than **TYAN (#02-11)** for some new additions to their wardrobe.

For mothers who appreciate the finer things in life, Palais Renaissance also houses several jewellers that are only unique to the mall. **DeFRED Jewellers (#01-02)** has handcrafted the *DeFRED's Eternal Rose Diamond Ring* (retailing at \$18,600) which reflects a mother's everlasting love. This Mother's

Day, mothers and daughters stand to enjoy special prices on selected pieces as well as an Afternoon Tea for two with any purchase. Renowned for its rich heritage of creating exquisite jewellery and timepieces, **Mouawad (#01-01)** has specially created the *Love M Collection* which also signifies the abundant and never-ending love between a mother and child. For a mystic take on jewellery, **Yuli Inc. – Fine Jewellery’s (#01-08)** collection of rare and extraordinary coloured gemstones will add more colour to mother's special day. Finally, for the mother who values elegant timepieces, **Breitling Boutique (#01-04)** offers a brand new rose gold Galactic 18, with a mother-of-pearl dial and diamond hour-markers, created for women whose vision of elegance is inseparable from performance (*retailing at \$33,380*).

If home is where the heart is for the house-proud mothers, Palais Renaissance houses **Strange & Deranged (#01-09)**, where mom can have her pick of contemporary chic items for the household. **Steinway Gallery (#01-01A)**, Asia's first standalone Steinway & Sons boutique, houses the full range of Steinway & Sons pianos, alongside its two other brands, Boston & Essex pianos. This Mother's Day, show your appreciation and love to the special woman in your life. Reminisce the old times with familiar tunes on a new piano including the Crown Jewel – Macassar Ebony (price upon request). The Macassar Ebony is made from very rare precious wood from Sulawesi and each key cover is set with a flawless certified diamond, further expressing that a Steinway Crown Jewel is a symbol of power and exclusivity.

After a full day of shopping and dining, nothing beats some body pampering at one of the beauty options at Palais Renaissance. This Mothers' Day, pamper mom with Colecim Youth Restore Facetherapy at **Privé Aesthetics (#03-02)**. The treatment (*priced at \$244 nett, usual price \$406.60*) promises to restore skin to its original, youthful state and natural renewal cycle. The ingredient used is a patented protein mix derived from Umbilical Extract. It consists of the full complement of proteins that are generated by umbilical cord lining cells, creating a perfect media for skin health.
